Education

The University of Hong Kong — M.A. in Translation Sep 2026 – Jul 2027

Finance, Legal, Mass-Media, Government/Business & International-Affairs translation; AI-vs-human translation critique.

Zhejiang Int'l Studies University — B.A. in Translation (EN-ZH Interpretation) Sep 2022 – Jun 2026

GPA 4.23/5 (Rank #1); National Scholarship; Zhejiang Outstanding Graduate; MOFCOM Outstanding Intern; IELTS 8.

Experience

Hangzhou Daily · Int'l Communication Center — Overseas Brand Mkt & User-Growth Intern Dec 2025 – Mar 2026

Hangzhou, China

- User growth: built persona-based strategies & posting calendars for a 1M+ overseas social matrix — +25% engagement in 3 months, 3.7M+ organic reach, top-tier among China's city-promotion accounts.
- Offline event marketing: planned 10+ bilingual contents for offline brand activations; 6.9M+ impressions, 500K+ single-post, reposted by official overseas tourism boards; owned on-site organization, collateral & user-interaction design.
- Operation-marketing analytics: monitored impressions, engagement & follower growth to refine topics/cadence; one project drove 200K+ net follower gain and a reusable quantitative playbook.

Ant Group — Robotics Event Ops & Project Coordination Intern Apr 2026 – Jun 2026

Hangzhou, China

- Pre-event content: produced 16 bilingual promo assets across domestic & overseas channels for a large robotics competition.
- Partner coordination: liaised with robot companies on co-branded activations; advanced 5 MOUs & 3 contracts, aligning finance, tax & legal to close on time.
- Test execution: configured runtime environments, ran 20+ test rounds across 2 offline test events, flagged 3 issues to de-risk launch.

LianLian Pay · Overseas Business Dept — Business Operations Intern Jul 2026 – Aug 2026

Hangzhou, China

- Market research: tracked the European payments market; delivered 6 weekly insights + 3 proposals — 2 adopted by BD.
- Acquisition-flow optimization: cut merchant onboarding from 7 steps / 4 weeks to 5 steps / 3 weeks; 4 European merchants onboarded.
- Cross-border enablement: organized 200+ files for 12 European merchants; built a KA SOP with 100% archival coverage, 30-sec retrieval.

Project

Huawei Cloud "National Youth AI Project" — AI Tooling Evaluation Dec 2022 – Mar 2023

- Built a DevRun NLP poetry-translation evaluation framework over 130 bilingual samples (BLEU + human ratings).
- Ran double-blind human-vs-AI comparison; delivered 3 structured reports + 10+ optimization recommendations to the algorithm team.
